

You are in good company in the Adirondacks.

The Essex County Industrial Development Agency is committed to developing partnerships with companies starting, expanding or relocating to Essex County New York. The ECIDA can be a single resource for companies wanting to see the best the Adirondack's, Lake Champlain and the Olympic Region can offer. We have listed information that would be beneficial to you in making your decision to relocate to an area that you, your family, your employees and their families will enjoy for a lifetime.
